TO CARE FOR YOUR HANDLES:

Clean the handles using a microfibre cloth or with a solution of warm water and a small amount of washing-up liquid applied with a soft sponge. Wipe the surfaces dry using a soft cloth. For cleaning, you can also use a clean, damp microfibre cloth without any cleaning agent.

AVOIDING DAMAGE TO THE SURFACE.

TO PREVENT DAMAGE TO YOUR HANDLES WHEN CLEANING, DO NOT USE:

- Cleaning agents containing soda, ammonia, acids or chlorides
- Cleaning agents containing descaling agents
- Abrasive cleaning agents, e.g. powder cleaners and cream cleaners
- Solvent-based cleaning agents
- Stainless steel cleaners
- Dishwasher detergent
- Oven sprays
- Glass cleaning agents
- Hard, abrasive sponges and brushes e.g. pot scourers
- Dirt erasers
- Sharp metal scrapers

HAMPTONS

Artia’s new HAMPTONS family of knobs & handles are designed to enhance this style with a modern interpretation & a touch of traditional appeal.

Describes a sophisticated yet relaxed coastal or rural design, and has become a sustained trend that features “shaker” style kitchens with framed door panels, for example.

VANIGLIA

Linear design with rounded ends and smooth edges all around. Available in four finishes to subtly enhance the latest interior design trends. Offered in up to five lengths, to cover standard cutlery drawers all the way through to tall pantry doors.

- Brushed Nickel – Universally appealing with its elegant lustre.
- Anthracite – Artia’s latest finish, for when the design calls for some dark, sumptuous mystery.
- Matt Black – Ideal to create a stark contrast with light cabinet fronts.
- Matt Gold – Adding a touch of luxury.
