# **R22 Citra Shift**

Chemtools® R22 CitraShift is an industrial strength cleaner/degreaser. This concentrated citrus based product is water soluble and biodegradable. The environmentally safe multi-purpose concentrate will instantly emulsify grease, oils, and fats without the use of harsh acids, alkalis, or petroleum solvents. It is 100% organic, free rinsing, and has an extremely strong citrus fragrance to deodorize effectively.

Ideal uses for this product include degreasing concrete floors, equipment, trucks, motors, and metal surfaces. R22 will remove most resins, adhesives, printing inks, decals, rubber solvent tire marks, tar and asphalt, and most soils that are removed by conventional solvent-based degreasers. Used in a weekly maintenance program, it will keep drains and pipes free flowing and sanitary.

#### **FEATURES AND BENEFITS:**

- Industrial strength
- Water soluble and biodegradable
- Non-Flammable

#### **APPLICATION:**

- Degreases concrete and workshop floors
- Degreases marine equipment, motors, transport and automotive equipment, and metal surfaces including kitchen and food areas
- Removes resins and adhesives
- Removes printing inks, labels, and decals
- Removes rubber marks, tar, and asphalts

#### **PROPERTIES:**

Appearance Clear to yellowish liquid

Odour Citrus
Flash Point 55°C
Boiling Point > 200°C

Specific Gravity @ 20°C 0.82 - 0.85

Aerosol Propellant CO<sup>2</sup>

#### **STORAGE:**

Store in a cool, dry place, in tightly closed original containers, at a room temperature of between  $5^{\circ}$ C to  $40^{\circ}$ C. Do not place in direct sunlight or near any heat source. Do not return any used material to its original container.

#### **PRECAUTIONS:**

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

#### **WARRANTY:**

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the products suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
